Structure of GCU Psychology Part of Program:

At Hazlet, Georgian Court offers a generalist B.A. in Psychology. This degree prepares students for employment in an entry-level mental health or human services setting, as well as for a variety of other occupations, including teaching, business and human services. It is also recommended for students interested in pursuing graduate study in fields such as counseling or in applied areas (e.g. clinical, school, and/or counseling psychology).

Ten courses from required areas comprise 30 of the 36 credits needed for the psychology major. The other six credits are electives. Two courses form the foundation for the major: Introductory Psychology (=Brookdale's PSYC105 or 106) and Intermediate Issues in Psychology.

Students take 21 of the 36 psychology credits as GCU Psychology courses at Hazlet: Intermediate Issues in Psychology, Biological Psychology, Introduction to Applied Behavior Analysis, Psychology of Learning, Statistics for the Behavioral Sciences, Psychology of the Exceptional Child, and Senior Seminar. The remaining 15 credits needed for the psychology major are these Brookdale courses or their equivalent: PSYC105 or 106, 216, 217, 247, and one from among 206, 207, 208 or 226. In addition, it is recommended that students take other GCU elective courses in Psychology or other fields.

Structure of Rest of the GCU Part of the Program:

Effective Fall 2016, graduates of an accredited NJ community college who have earned an associate degree with a cumulative GPA of at least 2.0 and have completed the general education requirements established in the statewide agreement will transfer those general education credits in full to satisfy a minimum of 45 (A.A.), 30 (A.S.), or 20 (other associate degree) credits of the Georgian Court General Education Requirements. Only courses in which a grade of "C" or higher has been achieved are eligible for transfer. Courses transferred as part of the community college's general education program that have GCU general education equivalents will be transferred as those equivalent courses. Other general education courses required by the community college will be transferred as general education electives. If an equivalency is not transferred, all four of the following general education requirements must be fulfilled: a designated Religious Studies course, a designated Women and Gender Studies course (BCC's HUMN129 fulfills the requirement), a designated Ethics course (BCC's PHIL227 fulfills the requirement), and the Capstone course (GEN400). The GCU Experiential Learning requirement must be fulfilled as follows: 1) GEN400, which includes a service learning project completed, and 2) a service learning project completed in a course other than GEN101 or GEN400, an internship/practicum/field placement, or an approved education abroad experience.

Tuition:

\$510/credit for 2018-2019. No general fees are charged.

Advising notes for students:

1. Students do not have to have taken all transferable credits prior to entry into the bachelor’s degree program. HOWEVER, all requirements listed in this handout and the GCU catalog MUST eventually be completed (please note in particular Brookdale and GCU psychology and gen ed courses, and GCU requirements for experiential learning). Students must earn at least 30 credits from GCU to graduate, even if the program of courses offered at Hazlet does not total 30 credits. The student’s GCU Registrar-issued Progress Chart shows which requirements have or have not been completed.
2. Students must complete BCC’s PSYC105 or 106 prior to taking any GCU Psychology course.

3. The program is designed for students taking a part-time schedule of GCU courses through GCU Hazlet, but students may enroll full-time by taking GCU Lakewood online or face-to-face courses, or Brookdale courses through the Course Exchange Consortium Agreement. Students not following the published cohort schedule in its entirety should realize that they may experience some course conflicts. GCU is not responsible for resolving such conflicts.
4. Questions about financial aid should be referred to the GCU financial aid office (732.987.2258 – please identify yourself as a Hazlet student).
5. Some courses may be offered in online mode only. GCU attempts to offer courses on no more than two days per week but cannot guarantee that the courses will be offered on only two days per week or that the days per week will not change from semester to semester.
6. Hazlet students must earn at least 48 GCU credits in courses graded A-F to be eligible for degree honors.
