The Board of Commissioners of the Commission on Collegiate Nursing Education (CCNE) met on October 4-6, 2012, and at this meeting reviewed for accreditation all nursing programs that hosted a Spring 2012 on-site evaluation. We are pleased to share that the Georgian Court – Meridian Health Bachelor of Science in Nursing (BSN) degree program was awarded accreditation by the CCNE through December 31, 2017.

*“The Georgian Court-Meridian Health School of Nursing B.S.N. program has been granted full accreditation from the state of New Jersey. The period of accreditation is for eight years, 2014 through 2022.”*
