

PRESIDENT'S ANNUAL REPORT & HONOR ROLL of DONORS 2016–2017

GEORGIAN
COURT
UNIVERSITY

THE MERCY UNIVERSITY OF NEW JERSEY

From the Desk of the Vice President for Institutional Advancement

After reaching my first anniversary as vice president for institutional advancement, I am grateful to have been able to spend the past year meeting many students, parents, alumni, and friends of the university, and am pleased to share with you the extraordinary growth you have helped us to achieve in that time.

Our alumni continue to build our impact in the community. The majority of our graduates have gone into compassion vocations—nursing, teaching, and social work to name a few—and they continue to amplify the Mercy core values in their lives and work. Our vision for the future will expand partnerships that benefit students, alumni, and the community, and build a stronger Mercy institution for generations to come.

I'm particularly honored to recognize the impact so many of you have had on Georgian Court and the lives of our students. The following Honor Roll of Donors recognizes the individuals and organizations to whom the university owes its success. To those of you whose names appear in this report, I thank you for your belief in and support of Georgian Court. Your giving sustains and elevates Georgian Court and our students, and I hope that the stories in this magazine help give you a richer understanding of the difference you have made.

Thank you for choosing to make an impact here at Georgian Court University. It is our hope that you will continue to engage with and be inspired by the transformation of the university, and the transformative nature of the education GCU provides. The institutional advancement team and I look forward to working with you to face the challenges and achieve the fund-raising successes that lie ahead.

Warm Regards,

Brian D. Agnew, Ph.D.

Vice President for Institutional Advancement

YEAR-END HIGHLIGHTS

We are excited to share a sampling of accolades and achievements from the 2016–2017 academic year and invite you to share the progress of our students, faculty, staff, and alumni.

LAST YEAR, GCU:

Graduated nearly 400 students with bachelor's degrees; 48% were first in their families to finish college.

Marked great strides in academic partnerships and off-site programs, which now include:

- GCU@Hazlet – Education, psychology, English, business, and interdisciplinary studies
- GCU@Cumberland County – Social work
- VCamp – Criminal justice and business
- Learning House – Holistic health
- KTA – Education

Created a partnership with the Ocean Township H.S. School of Finance and the GCU School of Business and Digital Media, giving 33 high school freshmen access to college classes.

Was recognized by the New Jersey Department of Education when GCU students Erica Dunn and Randi Silfan won New Jersey Distinguished Clinical Intern Awards. The program recognizes the top 15 graduates of educator preparation programs in New Jersey.

Signed new dual admissions agreements with Mercer and Cumberland community colleges and partnered with Cumberland officials to offer social work degrees.

Signed seven guaranteed admissions agreements, for a total of nine Catholic high school partners (more are in the works).

Launched the St. John Vianney H.S. Early College to M.B.A. program, which is a new kind of partnership with the high school, Brookdale Community College, and GCU.

Welcomed the Youth Theological Institute and 14 high-achieving, high school seniors for *MercyworX*, a GCU and Center for FaithJustice partner program. Participants focused on social justice, service learning, and how to turn social concern into social action.

Climbed nine spots on the *U.S. News and World Report* “Best Regional Universities” rankings; the move from #131 to #122 reflects better first-year student retention and other factors.

Became a 2016 College of Distinction, a Catholic College of Distinction, and a Military-Friendly School. GCU also was recognized by *Abound: Finish College* for Top Adult Undergrad Degree programs.

Experienced tremendous success in giving day programs as more than 250 Lions raised more than \$30,000 on GCU Gives Day and \$14,000 on Giving Tuesday.

Increased unrestricted giving by 11.5% compared to last year, increased the number of alumni donors by more than 4%, and acquired 720 *new* donors.

Raised over \$153,000 at the 22nd Annual Scholarship and Golf Classic.

Acquired a \$1.99 million federal grant to strengthen college completion, a \$299,829 federal grant for sexual assault awareness programs, and a \$75,000 grant from the George Alden Trust to support STEM renovations in Hamilton Hall.

Received a grant from Catholic Relief Services to start the campus organization *Salt and Light*, which focuses on social justice worldwide.

Garnered several CACC championships thanks to the hard work of men's soccer, women's lacrosse, and men's and women's track and field dominance in the CACC Outdoor Track & Field Championships.

Won the East Coast Conference Indoor Championship in men's track and field.

Sent All-American thrower Michael Brazzel to the NCAA Division II Outdoor Championships; he ended the season #2 in the *nation*.

Documented more than 10,000 volunteer hours among student-athletes, leading to top honors in the NCAA's *Helper Helper* community service competition.

Documented 87,028 hours of overall volunteer service, leading to placement on the President's Higher Education Community Service Honor Roll.

Took state honors as a *Company Who Cares*, based on GCU community service hours, from the Commerce and Industry Association of New Jersey.

Engaged with more people on Instagram and on Snapchat, where our Class of 2017 filters were accessed more than 40,000 times.

Attracted 1,088,069 visits to the GCU Web site.

Received broad media exposure, especially from Dr. Mary Chinery's co-discovery of an unpublished play by Edith Wharton. Stories appeared worldwide, including in the *New York Times* and the *New York Daily News*.

The Honor Roll of Donors highlights those who made a gift to Georgian Court University during the 2016–2017 fiscal year, beginning July 1, 2016, and ending June 30, 2017. All pledges made to the university are recognized in their entirety in the year the pledge is made (payments made toward pledges are not reflected in the listing). Gifts to the university received after June 30, 2017, will be recognized in the 2017–2018 Honor Roll of Donors. Every effort has been made to ensure accuracy and completeness. In the event that an error or omission is found, we sincerely apologize and ask that you contact the Office of Institutional Advancement at 732.987.2265 or e-mail advancement@georgian.edu so we may correct our records.

INDEPENDENT COLLEGE FUND OF NEW JERSEY

Georgian Court University continues to benefit from generous corporate and foundation support given through the Independent College Fund of New Jersey. Begun in 1953, the fund makes a single, united annual request to corporations and foundations on behalf of the 14 member colleges. For over 60 years, the fund has continued to secure corporate financial support for the state's independent colleges and to promote a greater understanding of the importance of maintaining the opportunity for choice between public and private education.

The Independent College Fund of New Jersey represents all of the state's fully accredited, privately controlled colleges and universities, except those that are engaged primarily in religious studies.

The following donors contributed to the fund in the calendar year 2016. Most gifts are allocated by formula although a number are designated to specific institutions. Support in 2016 for independent higher education in New Jersey through the fund totaled \$1,117,244.80.
