9-Month Post Graduation Survey

2017

Graduate and Undergraduate

Methodology: May 2017 undergraduate graduates and graduate graduates were all emailed the survey in January 2018 and asked to complete it. Due to the low response rate of only 63 responses total (52 undergraduate alumni and 11 graduate alumni), the data have been combined into this one report. The undergraduate response rate was $52/261=20\%$, and the graduate response rate was $11/102=11\%$.
