Frequently Asked Questions About Brookdale Community College/Georgian Court University's 2+2 and 3+1 Transfer Options

1. When can I select one of the programs of study options?
At any time after you are admitted to Brookdale. However, to ensure that you make the right course choices, you are strongly encouraged to select your program of study option in your first year of college.
2. Can I change my program of study option at any time?
Yes.
3. Can I enroll in a 3+1 program if I do not have an associate degree?
You must have an associate degree from Brookdale Community College by the beginning of the Fall Year 3 semester.
4. Can I enroll in a 3+1 program if not all my credits were earned at Brookdale?
Yes, but your associate degree must be from Brookdale Community College.
5. Can I enroll in a 3+1 program if I graduated or was last enrolled in college several years ago?
Yes.
6. Can I attend part time?
Yes, except that if you are in a 3+1 program, during year 3 you must be enrolled full-time in the GCU/BCC-approved curriculum. GCU@Brookdale programs are designed for full-time study, so part-time GCU@Brookdale students may encounter some course conflicts that delay degree progress.
7. Can I get financial aid for Year 3 if I am not enrolled in one of the program options?
No.
8. How will I know which courses to take?
Once you formally enroll in a program option, an academic advisor from Brookdale and an academic advisor from Georgian Court University will advise you on the courses you should take.
9. How can I learn more?
Contact the GCU Transfer admissions office at 732-987-2700.
