Honor Roll of Donors - Fiscal Year 22-23

July 1, 2023

Dear Friends:

Georgian Court University graciously acknowledges those who made gifts in support of our students and the university during the fiscal year July 1, 2022 to June 30, 2023.

Everything that Georgian Court University does is enhanced by the incredible generosity of all our supporters—alumni, parents, corporations, foundations, and friends—who invest in Georgian Court every year. These contributions have created new scholarship opportunities, strengthened student programming, supported athletic teams, and improved campus facilities. Thank you for your generosity. We are honored to include you among our community of donors.

For Georgian Court and other colleges across the nation, enrollment continues to be a challenge. Undergraduate enrollment has been trending down across the country due to fewer college-aged students in the population. The pandemic has further exasperated this issue. Georgian Court's focus on new programs coupled with strategic marketing and admissions efforts has played a significant role in minimizing the impact of enrollment outcomes. Thanks to the support of donors, we provide 97% of our students with the financial assistance they need to create pathways to meaningful careers in our local communities. Georgian Court is excited about the upcoming academic year and your continued partnership.

Thank you again for your support—we could not do it without you!

With gratitude,

Lori Raia Thomas
Associate Vice President, Development
& External Relations
