July 2024

Dear Friends,

It is with our deepest gratitude that we share with you the *Honor Roll of Donors* for Corporate, Foundation and Government Grants for the fiscal year 2023-2024.

Each of you, through your contributions, has played an essential role in helping us fulfill our mission and advance the important work we do every day to support Georgian Court students through their academic journey. Because of you, we have been able to offer more scholarships to deserving students, expand needed programs and services such as tutoring, counseling and advising and help meet technology and infrastructure needs. These achievements reflect the power of collective generosity, and we are truly humbled by the outpouring of support from donors like you.

Your trust and commitment not only sustain our efforts but also inspire us to aim higher and dream bigger. We believe in the vision of a brighter future, and thanks to your contribution, we are one step closer to making that vision a reality.

The list that follows is a celebration of the incredible community that has come together to support the academic journey of Georgian Court students. Each name represents a story of generosity, and we are proud to recognize every one of you among those who have made a difference.

Please know that your gift, no matter the size, has a direct and meaningful impact. We value your partnership and look forward to keeping you informed about the continued progress your support makes possible.

Once again, from all of us at Georgian Court University, thank you for your kindness, generosity, and belief in our mission and the success of our students!
