

David M. Wilson, Ph.D., BCBA-D
Curriculum Vitae

March 2019

PERSONAL INFORMATION

Home: 42 E. Zane Avenue
Collingswood, NJ 08108
856.813.6422

Office: Georgian Court University
Department of Psychology
900 Lakewood Avenue
Lakewood, New Jersey 08701
732.987.2645
dwilson@georgian.edu

EDUCATION

B.A. Rutgers University, New Jersey
Major: Psychology

Ph.D. University of Florida
Major: Psychology (Behavior Analysis)
Minor: Special Education
Advisor: Dr. Brian A. Iwata

PROFESSIONAL CERTIFICATIONS

Board Certified Behavior Analyst – Doctorate (#1-07-3968)

PROFESSIONAL SOCIETIES

Association for Behavior Analysis International (Full Member)
New Jersey Association for Behavior Analysis
Maryland Association for Behavior Analysis
Autism New Jersey
National Association for the Dually Diagnosed

TEACHING APPOINTMENTS

- 2011-Current Associate Professor of Psychology and Director of ABA Programs, Georgian Court University; Courses: ABA 502 (Measurement and Design), ABA 503 (Concepts and Principles of ABA), ABA 510 (Behavioral Assessment), ABA 511-512 (ABA Interventions), ABA 513 (Verbal Behavior), ABA 514 (Behavioral Interventions for Autism), ABA 529 (Stimulus Control), ABA 453-454 (Undergraduate Practicum), ABA 550-551 (Graduate Internship), PS 432 (Psychology of Learning), PS 436 (Principles of Applied Behavior Analysis I), PS 221 (Child Development), PS 111 (Introduction to Psychology)
- 2010-2011 Adjunct Faculty, Rowan University; Courses: Psy 02610 (Applied Behavior Analysis), Psy 02620 (Behavior Assessment and Functional Analysis), Psy 02305 (Undergraduate Applied Behavior Analysis)
- 2007-2010 Adjunct Faculty, Caldwell College; Courses: Ps 526 (Learning and Behavior Analysis), Ps 553 (Assessing Autism Interventions), Ps 553 (Introduction to Behavior Analysis), Ps 510 (Research Methods and Statistics), Ps 615 (Functional Behavioral Assessment); Student thesis and dissertation committee member
- 2005 (summer) Graduate Instructor, University of Florida, EAB 3764 (Applied Behavior Analysis)
- 2003-2004 Graduate Teaching Assistant, University of Florida, EAB 4714C (Laboratory in Applied Behavior Analysis)

CLINICAL APPOINTMENTS

- 2018- Current Behavior Analyst at Family Therapy and Consultation Services. Supervision of Behavior Analysts and associates, in-home consultation to children with autism.
- 2018-Current Independent Consultant to human service organizations within New Jersey; drafted clinical model for intensive inpatient assessment and treatment facility; assist with the development of an internal Behavior Management and Human Rights Committee.
- 2015-Current Co-director of the Georgian Court University Applied Behavior Analysis Clinic: Provide applied behavior analysis consultation services to families, schools, and organizations; design and deliver parent workshops; supervise graduate student clinical assistants.
- 2012-2015 David M. Wilson Consulting, LLC: Provide applied behavior analysis consultation services to families, schools, and organizations
- 2010-2011 Devereux New Jersey: West Deptford, NJ, State Clinical Director & Director of Quality Management; Duties: oversight of clinical services provided in the areas of intellectual/developmental

disabilities, autism, and behavior health across the state, consultation services, supervise regional clinical directors, participate in new program development, dissemination of best practices, clinical training, coordination of internship/practicum students, assessment of program quality, preparation of performance based contract arrangements, liaison to New Jersey Division of Child and Behavioral Health Services and the Division of Developmental Disabilities.

- 2009-2010 Devereux New Jersey: Somerset, NJ, Clinical Director Northern Region: Duties: oversight of clinical services provided in the areas of intellectual/developmental disabilities and behavior health across within community-based programs in northern New Jersey, Direct supervision of Clinical Coordinators and Behavior Analysts, as well as oversight of Quality Management Statewide
- 2006-2009 AdvoServ of New Jersey: Hewitt, NJ, Clinical Director; Duties: manage/supervise BA, MA, Ph.D. level behavior analysts, quality assurance of clinical service, ensure compliance with Division of Developmental Disabilities Circulars, manage clinical expenses, foster professional development, revise new staff training curriculums/policy and procedures, conduct research
- 1999-2001 The Kennedy Krieger Institute and the Johns Hopkins School of Medicine, Baltimore, MD: Clinical Specialist II, Neurobehavioral Unit; Duties: assessment and treatment of severe problem behavior, training, monitoring program implementation, assist with research protocols
- 1995-1999 Bancroft Neurohealth: Haddonfield, NJ, Behavior Specialist, Lindens Neurobehavioral Unit; Duties: assessment and treatment of severe problem behavior, rehabilitation of children with acquired brain injury, training, monitoring program implementation, management of direct care staff

RESEARCH APPOINTMENTS

- 2004-2006 Graduate Research Assistant/Behavior Analyst, UF-ARC Prader-Willie Syndrome (PWS) program; Duties: develop behavior intervention programs for residents of the Alachua ARC, train staff in the implementation of behavior intervention programs, manage and review behavior data, conduct new staff training, serve as a behavior management committee member, develop and implement research protocols
- 2001-2004 Graduate Research Assistant, University of Florida Center on Self-Injury and the University of Florida Autism Project (Research sites: Alachua ARC, Sidney Lanier School, Children's Mental Health Unit-Shands Hospital); Duties: lab coordination, develop and implement research protocols, supervise undergraduate lab students, provide inpatient/outpatient clinical services

EDITORIAL APPOINTMENTS

Guest reviewer: *Journal of Applied Behavior Analysis*

ADVISORY BOARD & COMMITTEE APPOINTMENTS

2019-Current Dual Diagnosis Focus Group with the New Jersey Department of Human Services
2016-Current ABA Advisory Committee (Hosted by Autism NJ with NJ Department of Children and Families)
2012-2016 New Jersey Association for Behavior Analysis
2010-2011 Rowan University Center for Behavior Analysis

GRANTS & PUBLICATIONS

Ron Burd Grant (awarded 2009) \$15,000.00 to support the development of specialized training in delivering services to children and adults with dual diagnoses

Dozier, C. L., Iwata, B. A., Wilson, D.M., Thomason-Sassi, J. L., & Roscoe, E.M. (2013). Does supplementary reinforcement of stereotypy facilitate extinction? *Journal of Applied Behavior Analysis, 46*, 242-255.

Wilson, D.M., Iwata, B.A., & Bloom, S. (2012). Evaluation of a computer-assisted technique for measuring injury severity. *Journal of Applied Behavior Analysis, 45*, 797-808.

Dozier, C. L., Iwata, B. A., Thomason, J. L., Worsdell, A. S., & Wilson, D. M. (2012). Establishing praise as a conditioned reinforcer. *Journal of Applied Behavior Analysis, 45*, 721-735.

Wilson, D.M. (2003). Problem behaviors maintained by multiple sources of reinforcement. *Self-Injury Abstracts & Reviews (12)* 1-8.

Wilson, D.M. (2002). Vomiting and Rumination. *Self-Injury Abstracts & Reviews (11)* 1-8.

Hagopian, L. P., Wilson, D. M., & Wilder, D. A. (2001). Assessment and treatment of problem behavior maintained by escape from attention and access to tangible items. *Journal of Applied Behavior Analysis, 34*, 229-232.

McKerchar, T. L., Kahng, S., Casioppo, E., & Wilson, D. (2001). Functional analysis of self-injury maintained by automatic reinforcement: Exposing masked social functions. *Behavioral Interventions, 16*, 59-63.

MANUSCRIPTS IN PREPERATION

Wilson, D.M., Iwata, B.A., & Bloom, S.E. (in preparation). Procedures to facilitate discrimination during picture-card communication training.

INVITED LECTURES

Wilson, D.M. (2015). Stimulus Control & Procedures to Facilitate Visual Discriminations. Hudson Valley Regional Center for Autism Spectrum Disorders Annual Conference, Middletown, NY

Wilson, D.M. (2014). Stimulus Control & Procedures to Facilitate Visual Discriminations. Melmark, Berwyn, PA

Wilson, D.M. (2009). Autism: Overview, Current Issues, & Applied Behavior Analysis. Sawtell Learning Center, Collingswood

Linke, G. P. & Wilson, D. M. (April 1999). Empirically-derived consequences. New Horizons in Developmental Disabilities, New York City

PRESENTATIONS
