### Survey Says... Student Satisfaction Surveys for AY 2021-2022

The most recent undergraduate survey (RNL SSI) showed that GCU's top three areas of importance and satisfaction were the following:

1. *Tutoring services are readily available*
2. *Academic advising assists me in reaching my academic goals*
3. *I receive ongoing feedback about my progress toward my academic goals*

In the above areas, we did better than our peers: private 4-year colleges and universities. Your impact upon the academic success of our students is well evident.

For AY 2022-23, GCU will be using the student engagement surveys of [BCSSE](#), [NSSE](#), and [FSSE](#).

### Student Feedback on Courses

GCU students gave course feedback using the AEFIS (Assessment, Evaluation, Feedback & Intervention System) and the GCU Student Evaluation of Teaching (SET) survey. Results are given below.

Survey	Fall 2020	Spring '21	Fall 2021	Spring '22
GCU SET	N= 1077	N=1108	N= 2007	N= 1867
Overall mean score	4.37/5	4.45/5	4.36/5	4.40/5

### AEFIS Assessment Software

GCU began using the AEFIS software system in fall 2019. Increased usage of the system for course feedback and program assessment continued through spring 2022. For additional support in using the features of AEFIS, faculty are encouraged to go to [AEFIS Academy](#) for user guides and support. Of course, GCU's OIAA is always available for on demand training. Access to AEFIS is through the [GCU's SSO OKTA](#) site.
