Survey Says… Student and Faculty Surveys for AY 2024-2025

Prior to Fall 2024, Georgian Court continued to implement the Higher Education Data Sharing (HEDS) Consortium student surveys, with the new student survey for new and transfer students. Results were shared with the Provost Council and other appropriate offices. Additional information is available in the Office of Institutional Assessment and Accreditation (OIAA). The overall report will be on the Institutional Research Information Service webpage IRIS (georgian.edu)

During the fall semester, students, faculty, staff and administration will be asked to complete the HEDS Campus Climate Survey (Oct. 7-22). This survey will consider safety, diversity, and belonging among the GCU community. A survey URL (link) will be sent to all constituents via email with further instructions. In the Spring 25 semester students will take student satisfaction surveys.

GCU Teaching Strengths

Every semester, GCU faculty are asked to reflect on their teaching. Faculty keep a record of their responses on their HelioCampus assessment dashboard. They choose one course most likely to teach again and consider what changes may be needed to improve their teaching and student learning. An executive report can been seen on the GCU Learning Assessment page. **Annual Assessment Reports - Georgian Court University, New Jersey**

Survey	Spring '23	Fall 2023	Spring '24	University
GCU SET	N= 1997	N= 1655	N= 1016	(3-year avg.)
Overall mean score	4.37/5	4.31/5	4.40/5	4.34/5

Student Feedback on Courses

GCU students give course feedback using HelioCampus Assessment and Credentialing (HCAC) System and the GCU Student Evaluation of Teaching (SET) survey. Results are given above. More detailed reports are available by contacting the OIAA.

Assessment Software

HelioCampus Assessment and Credentialing is the university's assessment software. Student and Faculty Dashboards can be accessed through GCU's SSO: **Georgian Court University - Sign In**
