

Welcome to GCU Health Services!

**Students are seen by appointment only. No walk-ins permitted.** Contact Health Services at 732-987-2756 to schedule an appointment when needed. Face masks are required at Health Services with respiratory symptoms (cough, sneezing, etc.)

You may also contact us via secure message by logging into the student health portal at [georgian.studenthealthportal.com](http://georgian.studenthealthportal.com) using your GCU username and password OR via email to [healthservices@georgian.edu](mailto:healthservices@georgian.edu).

**When you receive a notification from the student health portal (PyraMED) regarding a secure message sent to you, please log in and read your message ASAP. Respond to all messages as indicated.**

In the event you experience symptoms, you may be tested for COVID, and you will be asked to upload a copy of your health insurance info for the lab which performs the testing. You may also be placed in isolation with temporary room assignments and meal delivery managed by Res Life and Aramark Food Services.

Always remember to wash your hands with soap and warm water for at least 20 seconds after using the bathroom, before eating, or after coughing or sneezing. Practice good respiratory etiquette by covering coughs and sneezes.

**Resident students should pack the following items for your dorm room:**

rapid COVID test kits, thermometer, face masks, Tylenol/ibuprofen, hand sanitizer/wipes, cough drops, tissues, sunscreen, instant soup, tea bags, all prescription medication and health insurance card/info.

Feel free to contact our office with any additional questions.

Office hours are Mon-Fri 8:30a-4:30p\*\*.

Contact Campus Safety at 732.987.2611 for all emergencies, or after-hour assistance.

Best wishes for a great semester!

\*\*beginning Sept 3, 2024, office hours extended every Tuesday until 7p
